OPINION

Pursuant to 42 U.S.C. § 1983, plaintiff, a state prisoner, filed this lawsuit complaining that defendants, officers at the Troy City Jail, used excessive force against him, resulting in a broken rib and other injuries. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that plaintiff's case be dismissed without prejudice for failure to prosecute and comply with court orders. There are no objections to the recommendation. After an independent and de novo review of the record, the court concludes that the magistrate judge's recommendation should be adopted.

An appropriate judgment will be entered.

DONE, this the 20th day of September, 2018.

UNITED STATES DISTRICT JUDGE
